

Linda Aspey

Coach – Facilitator – Speaker – Consultant

Coaching for
Leaders
Think • Inspire • Deliver

Linda has **26 years' experience** in helping people and organisations to bring about change, create meaningful growth, accelerate progress, sustain performance, and build teams that truly work like teams.

She makes **human nature, the human mind and the complexities of organizational relationships easy to understand**. So that you too can make sense of what might at times seem senseless!

Sample Keynotes & Masterclasses

- **Liberating Innovation**
How to create an environment where it's not just the "Ideas People" who come up with great ideas.
- **Into the Giant's Shoes**
Strategies for stepping into the shoes of a legendary predecessor with a clear head, a brave heart and steady feet.
- **Ignite or Extinguish?**
How to lead through lighting the right fires instead of fighting the wrong ones.
- **Making Meetings Rousing!**
Transform meetings from dull or scary into enlivening and engaging.

Some recent audiences

- 150 Police Inspectors at a Chief Constable's Annual Leadership Conference
- 60 International sales leaders at the Leadership Summit of a global Finance company
